

# Dallas County Coalition

The purpose of the Coalition is to provide an opportunity to collaborate and coordinate services across many disciplines as well as provide expertise in fields of health, human services, early childhood care and education. Tasks may include but not limited to suggesting public policy, problem solving, and providing guidance on community needs and issues. Anyone may attend and participate in meetings and/or subcommittees. The coalition is in an advisory role to the Dallas County Children's Advocacy Council and the 4 R Kids Early Childhood Iowa Area Board. The Coalition normally meets on the 4th Wednesday of month with acceptations.
