

**The 4 R Kids Early Childhood Iowa Area Board has funded the following programs for FY27
Services are available to families in Adair, Dallas, Madison, and Warren County**

Preschool Tuition Assistance (Serving Adair, Dallas, Madison, and Warren County)

This program provides preschool tuition scholarships for children whose families meet income guidelines of up to 200% of the federal poverty level to give children the opportunity to attend preschool. For more information or to access the preschool tuition application contact [ISU Extension](#), Preschool Enrichment Project at 515-993-4281 or 515-735-5720.

Preschool Enrichment Services (Serving Adair, Dallas, Madison, and Warren County)

This service coordinates all preschool supportive services so children are more prepared for kindergarten.

Services are as follows:

- preschool tuition scholarships for preschool aged children
- dental screenings for preschool aged children
- transportation for preschool aged children
- professional development for preschool staff
- technical assistance and coordination for preschools and subcontractors of service

For more information contact [ISU Extension](#), Preschool Enrichment Project at 515-993-4281 or 515-735-5720.

Quality Improvement Project (QIP) (Serving Adair, Dallas, Madison, and Warren County)

The Quality Improvement Project is a free program for early childhood providers to increase quality in their programs.

Services are as follows:

- high-level trainings, not offered by CCRR
- infant and early childhood mental health consultation
- quality improvement mini grants
- personalized support for early care environments
- literacy project for families to build literacy skills

For more information contact [ISU Extension](#) at 515-993-4281 or 515-735-5706.

Parents as Teachers (Serving Adair County)

The Parents as Teachers program is an evidence-based early childhood home visiting program that encourages parent-child interaction, development-centered parenting and family well being utilizing four components - personal visits, group connections, screening, and resource network. The program is voluntary and serves families with children prenatal to kindergarten entry. For more information contact [Southwestern Community College](#) at 641-782-1308.

Parents as Teachers (Serving Dallas, Madison, and Warren County)

The Parents as Teachers program is an evidence-based early childhood home visiting program that encourages parent-child interaction, development-centered parenting and family well being utilizing four components - personal visits, group connections, screening and resource network. The program is voluntary and serves families with children prenatal to kindergarten entry. For more information contact [Short Years Partnership](#) at 515-962-1020.

New Parent Program (Serving Adair, Dallas, Madison, and Warren County)

The New Parent program is an evidenced-based voluntary intensive in-home visitation program that offers prenatal support and education to women during and after pregnancy and children ages 0-5. The program reduces the stress associated with the birth of a baby and assists parents in providing children with healthy start in life. For more information contact [Lutheran Services in Iowa](#) at 515-274-4946.
